

Anthony Eggert

Executive Director
Policy Institute for Energy, Environment and the Economy
University of California, Davis

Mr. Anthony Eggert is the Executive Director of the UC Davis Policy Institute for Energy, Environment and the Economy. From 2007 through 2012, Mr. Eggert served as an appointee of Governors Brown and Schwarzenegger in several senior policy positions, including Science and Technology Policy Advisor to the chair of the Air Resources Board, where he helped implement the Global Warming Solutions Act (AB32) and other California clean air laws. He also served as commissioner for the California Energy Commission. Mr. Eggert was also Deputy Secretary for Energy Policy of the California Environmental Protection Agency, overseeing clean energy and environmental policy development for California. Prior positions include advising the University of California on federal energy and climate policy; directing research on low-carbon fuels and vehicles at UC Davis' Institute of Transportation Studies; and engineer, and then manager, for Ford Motor Company, where he worked on emissions control and advanced vehicle design and deployment for hybrid, electric, and fuel cell vehicles.
